

The Premium Starter Kit Collection

Your Premium Starter Kit includes 11 essential oils, plus samples, and a DIFFUSER! The Dewdrop is included in the price of your kit but three other options are also available so you can choose your experience! Note: The prices below reflect the entire cost of the Premium Starter Kit including your diffuser.

Desert Mist

Young Living's Desert Mist Ultrasonic Diffuser functions as a humidifier, atomizer, and aroma diffuser in one simple-to-use product. Inspired by the design of a stylish Moroccan trellis, the Desert Mist Diffuser brings an exotic and modern look to any space. It also helps support a natural environment by replacing harmful household fragrance chemicals with naturally derived essential oils.

Dewdrop

Young Living's Dewdrop™ Diffuser functions as a humidifier, atomizer, and aroma diffuser in one simple-to-use product. Inspired by the purity and elegance of a drop of morning dew, the Dewdrop Diffuser's design reflects Young Living's dedication to providing high-quality essential oils. Its ultrasonic technology breaks any mixture of essential oils and water into millions of microparticles, disperses them into the air, and releases the constituents found in Young Living essential oils.

Rainstone

Combining state-of-the-art ultrasonic technology and traditional Chinese craftsmanship, Young Living's Rainstone™ Diffuser provides a balanced convergence of the grounding element of earth with the enveloping and soothing powers of essential oil-infused mist. Created with an exquisite and rare purple clay found only in a small region of China, each Rainstone Diffuser is handmade using ancient craftsmanship passed down from generation to generation for more than 1,000 years.
